Copy of petition from Channabasappa, Sajjawadi (Siru-guppa Taluk Bellary District, to the Secretary to the Government, Local Self Government Department, Madras, through the District, District Board, Bellary, dated the 7th July 1936.

I most humbly beg to draw the following for your kind consideration and favourable orders.

I possess wet lands and gardens in Hirapujar village, Siruguppa Taluk which is surrounded by the Tungabhadra river. To go to the above fields and gardens the river has to be crossed by a ferry. There is a boat but it is only at the place where I can ply my own boat, under the orders of the Local Board, District Board, Bellary. The President District Board has kindly agreed to grant me permission to ply my own ferry at this place. I employ 100 to 150 coolies to work in my fields daily from morning 7 to 5 P.M. Many of them would come only with their food and change their quarters. Unless the ferry boat be available at both the places. The ferry contractors go to the west bank after 9 A.M. and some times the ferry boat will be away on the other side of the river which takes nearly an hour to return. Then the coolies would not be able to come at all.

Kindly therefore grant me the said permission if I be agreeable with the terms and ply my own ferry as before.

For this act of kindness I shall ever be thankful to you.

Forwarded to the President, District Board, Bellary with No.220/36, dated the 10th July 1936.

Forwarded

Forwarded to the Secretary to Government, Local Self Government Department, Madras.

There is no provision in the Public Canals and Ferries Act for the grant of free license for the running of the Private ferry asked for by the petitioner. He should make his own arrangements with the District Board ferry contractor for the timely conveyance of his coolies and agents and the harvested produce by paying him extra remuneration in the interest of his garden and field works.

It is true that the Bagavadi No. 4 ferry can be used only to cross the main channel into Hyderabad and that it will not help any one to go from Bagavadi to Deshnoor. It is but fair that the petitioners should have facilities to reach their lands cross the channel with advantage without depending upon the public ferry for the purpose. Every time the petitioners want to take their coolies across the channel to Deshnur they cannot negotiate with the public ferry to suit their convenience. I recommend that the petitioners' request to ply a private ferry for the use of their farm servants may be granted. A revised sketch is enclosed.

Ferries- Siruguppa taluk- Virupapur village- permission to run private ferry service- report.

Ref:-Board's Refce.C.No. 1563/37-4 dated 20-12-38.

I consulted the District Board in regard to the feasibility of extending the limits of the existing public ferry(Bagavadi No.II) or to open an additional public ferry at the place mentioned by the petitioners. The President District Board reports that it is not possible to extend the limits of Bagavadi No. II ferry because the distance between it and the place where the petitioners desire to have transport facilities is long. He further reports that it is not also possible to open an additional public ferry at the place where the petitioners want it for as there are no Government lands on either side of the river for providing landing places and that acquisition of bits of garden and wet lands is necessary. In order to avoid all possible difficulties, the President District Board has proposed to establish a new public ferry between Ibrahampuram and Desanur limits and has proposed to provide landing places in S.No. 721 of Desanur which is a rasta poramboke and in S.No. 91 of Ibrahampuram which is a private land by acquiring a portion of it. I enclose a sketch showing Bagavadi Ferry No.II, the place mentioned by the petitioners and the place where the District Board has now proposed to establish a new ferry.

82

The petitioners were consulted in regard to the site of the new ferry. But they are not agreeable to the site because they state that a ferry if established at this place, will not serve their needs as it is far away from their village Bagavadi as well as from their lands on the other side of the river in Desanur village. The objections of the petitioners are real. The proposed new ferry is a useful one for the villagers of Ibrahampuram but is really too far off for petitioners. As the District Board are unable to open a public ferry where petitioner want it, permission might be given to the petitioners to ply their ferry for private service subject to the provisions of the Canals and Public Ferries Act II of 1890, but exempt from the provisions of sections 5 and 6 of the Act. The establishment of a ferry at the place [illegible] will prove detrimental to the lessees of Bagavadi Ferry No II as it is a long way off from the place. I request that the Board may be pleased to publish the notification under section 8 of the Act submitted with this office letter D.Dis.No. 4220-37 dated 7-9-37.

At present the villagers of Ibrahampuram find it difficult to go to Desanur as Bagavadi Ferry No II which is the only means of crossing the river is situated at a distance of nearly two miles from Ibrahampuram. The new ferry proposed by the District Board is a useful one for the villagers of Ibrahampuram and I recommend the proposal to the Board for consideration.

Public Works Department

Memorandum No.3396 D/38-2, dated 3rd September 1938.

Ferries - Bellary - Sirugappa taluk - Virapapur village - Permission to run private ferry service.

From the Board of Revenue, Ref.No.G.1563/37-5, dated 12th July 1938

The Board of Revenue is informed that as the proposal amounts in effect to the opening of a private ferry, the provisions of the Canals and Public Ferries Act cannot be invoked for the purpose. This Act does not govern the establishment of private ferries and any ferry to which the Act would apply must be regarded as a public ferry, the management of which must be regulated by the provisions of sections 10 and 11 of the Act.

2. The Board of Revenue is also informed that the provisions of sections 5 and 6 of the Act cannot be invoked in respect of the working of ferries as those provisions relate only to vessels using a canal for purposes of navigation.

Secretary to Government.

The petitioners have applied for permission to ply their private ferries in the Thungabhadra channel close to the Bhagavadi No.2. public ferry . A sketch showing the position of these ferries is enclosed. The petitioners state that they were running the ferries under a license issued by the District Board. The Collector reports that Pallada Nanjundappa, one of the petitioners, was granted permission to ply a public ferry in 1931-33 by the then Taluk Board and in 1934 by the District Board, but that the grant was not covered by any orders of the Govt. He states that the public ferry No.2 of Bhagavadi village sanctioned in Notification No.188 dated 28/3/1895 published at pages 373-376 of the Fort St.George gazette dated 9-4-1895 meets the needs of the petitioners and that the

lying of private ferries will be detri-
ental to the income derived from the
blic ferry. The Board agrees with the
llector and recommends that the permission
ught for by the petitioners may be
fused.

16.1.37 M2

If Bajwadi No. 2 ferry is correctly marked on the sketch, it seems clear that it will not help anyone to go from Bajwadi to Dosanur, but only to cross the main Tungabhadra into Hyderabad. But what Channabasappa wants to do obviously is to cross the "Tungabhadra channel" into Dosanur. Why does he want any license or permission for running a private ferry? The channel (I take it) does not vest in the Dt. Board but the property of Government?

M3's query above - Portion marked B

As observed by M3, the

Channel is the property of the Govt. and it does not vest in the Dt. Board. Under Section 5 of the Canals & Public Ferries Act, all vessels using a Canal shall be either licensed or registered but the Governor in Council may exempt from the operation of this section any vessel or class of vessels. Hence any ferry has to be brought under the provisions of the Act even if no tolls are levied. Attention is in this connection invited to G.O. No. 2084 P.W. 24-9-35 where in Govt. recognised a private ferry which was in existence for a long time and brought it under the Canals and Public Ferries Act. No tolls are levied in respect of this ferry.

Query A It will be seen from para 2. of the Dt. Board's letter (portion marked A) that the existing Bagwadi No 2. ferry can be made use by the petitioners for the purpose of going to Desanoor. ~~And this~~ It is also reported that it satisfies the needs of the petitioners. — Vide also the Collector's letter at p21 Cf. Apparently the position of the ferry is not correctly marked in the sketch. The point may be cleared and a revised sketch may be called for. Draft submitted

2/ the coll^r on reconsideration in the light of the Bd's Reple at p 31 c-f recommends that the petitioners' requ p 33 c-f to ply private ferries for the use of their farm servants may be granted. There is no provision in the Canals and Public Ferries Act for sanctioning private ferries but in the case of Kuthur village, Tanjore Taluk, the opening of a public ferry without the lev of tolls was sanctioned. Please see the proposal of the coll^r of Tanjore on p 1 c-f of (N) and the G.O at p 25 c-f of (N)

Similarly in the present case also the ferries required to be opened should be treated as public ferries and should be brought under the provisions of the Canals and Public Ferries Act without the levy of tolls. The coll^r has not submitted the necessary draft notification under section 8 of the Act. For orders whether he may be asked to submit the draft notification.

This is highly necessary so that it may be under Govt. control & subject to the restrictions imposed by the Act and the rules under it. ✓

There is apparently some mistake in the wording of the description of the limits. The correct description should presumably be 'To ply between S.No 656 of Bagawadi village on the right bank and S.No 823 of Desanur village on the left bank of Tungabhadra river'. A summarising note as ordered by AS on p 5 ante is submitted below.

2/ The subject matter relates to the permission applied for by the petitioners (S Nanjundappa and S channabasappa of Bagawadi village, Siruguppa taluk, Bellary DC to run their private ferries in the Tungabhadra river channel for agricultural purposes (i.e transhipment of coolies, harvested produce etc). The Govt have called for the Board's remarks in the matter and also desire to know the authority sanctioning the establishment of the existing public ferry (Bagawadi No 2 ferry) under the 'Canals and Public ferries Act'.

As the existing public ferry in the vicinity (Bagawadi No 2 ferry) does not serve the required purpose of the petitioners and as there is no provision in the 'Canals and Public ferries Act' for sanctioning private ferries, the Board has already decided that the two ferries to be opened should be treated as public ferries and should be brought under the provisions of the 'Canals and Public ferries Act' without the levy of tolls. The Govt may be told accordingly and the revised draft notification submitted

by the collector at p 51 C-f as slightly altered in pencil and the revised sketch at pp 36 & 37 C-f may be sent to them.

They may also be informed that the establishment of ~~Not~~ Bagavadi No 2 ferry under the 'Canals and Public ferries Act' was sanctioned in ~~now~~ communication No 188 dated 28-3-1895 published at pp 373 to 376 of the Fort St George Gazette Part I dated 9-4-1895.

The present proposals, submitted by the Coll. in consultation with the Dt Bd, are:

(1) to declare the ferries run by Pallada Ranjundappa and Pallada Pedda Chenna Basappa across the Tungabhadra River Channel between Bhagavati and Desanur villages to be public ferries, without the levy of tolls, as originally proposed.

and (2) to open a new public ferry near Ibrahimpuram village, about a mile to the south of the ferries mentioned in (1) above, to serve the needs of the villagers of Ibrahimpuram and entrust it to the Dt Bd. The Coll has not submitted draft notifns in respect of this ferry. He may be asked to submit them if the Govt agree to the proposals. From the memo at p. 55 cf, it seems that the Govt were not inclined to entrust the management of the ferries refd to in item (1) above to the private persons.
